

NOTICE OF PRIVACY PRACTICES

We are committed to respecting and protecting your family's personal information. This Notice describes how your child's health information may be used and disclosed and how you can get access to this information. It also explains how we collect, use and share information when you opt in to receive communications and SMS messages from us. Please review it carefully. The privacy of your information and your child's health information is important to us.

Our Legal Duty

Federal and state laws require us to maintain the privacy of your child's health information. We are also required to provide this Notice about our office's privacy practices, our legal duties, and your rights regarding your child's health information. We are required to follow the practices that are outlined in this Notice while it is in effect. This Notice takes effect on November 1st, 2025, and will remain in effect until we replace it.

We reserve the right to change our privacy practices and the terms of this Notice at any time, provided such changes are permitted by applicable law. We reserve the right to make changes in our privacy practices and the updated terms of our Notice effective for all health information that we maintain, including health information we created or received before we made the changes. Before we make a notable change in our privacy practices, we will change this Notice and make the new Notice available upon request. For more information about our privacy practices or additional copies of this Notice, please contact us (contact information below).

USES AND DISCLOSURES OF HEALTH INFORMATION

We use and disclose health information about your child for treatment, payment, and healthcare operations. For example:

Treatment: We disclose medical information to our employees and others who engage in providing the care your child needs. We may use or disclose your child's health information to another dentist or other healthcare providers providing treatment which we do not provide. We may also share your child's health information with a pharmacist to provide your child with a prescription, or with a laboratory that performs tests or fabricates dental prostheses or orthodontic appliances.

Payment: We may use and disclose your child's health information to obtain payment for services we provide, unless you request that we restrict such disclosure to your child's health plan when you have paid out-of-pocket and in full for services rendered.

Healthcare Operations: We may use and disclose your health information in connection with our healthcare operations. Healthcare operations include, but are not limited to, quality assessment and improvement activities, reviewing the competence or qualifications of healthcare professionals, evaluating practitioner and provider performance, conducting training programs, accreditation, certification, licensing, or credentialing activities.

Your Authorization: In addition to our use of your child's health information for treatment, payment, or healthcare operations, you may give us written authorization to use your child's health information or to disclose it to anyone for any purpose. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosures permitted by your authorization while it is in effect. Unless you give us a written authorization, we cannot use or disclose your health information for any reason except those described in this Notice.

To Your Family and Friends: We must disclose your child's health information to you, as described in the Patient Rights section of this Notice. You have the right to request restrictions on disclosure to family members, other relatives, close personal friends, or any other person identified by you.

Unsecured Email: We will not send you unsecured emails pertaining to your child's health information without your prior authorization. If you do authorize communications via unsecured email, you have the right to revoke the authorization at any time.

Persons Involved in Care: We may use or disclose health information to notify or assist in the notification of (including identifying or locating) a family member, your child's personal representative or another person responsible for your child's care, of your child's location, your child's general condition, or death. If you are present, then prior to use or disclosure of your child's health information, we will provide you with an opportunity to object to such uses or disclosures. In the event of your incapacity or emergency circumstances, we will disclose health information based on a determination using our professional judgment disclosing only health information that is directly relevant to the person's involvement in your child's healthcare. We will also use our professional judgment and our experience with common practice to make reasonable inferences of your child's best interest in allowing a person to pick up filled prescriptions, medical supplies, X-rays, or other similar forms of health information.

Marketing Health-Related Services: We may contact you about products or services related to your child's treatment, case management or care coordination, or to propose other treatments or health-related benefits and services in which you may be interested. We may also encourage you to purchase a product or service when you visit our office. If your child is currently an enrollee of a dental plan, we may receive payment for communications to your family in relation to our provision, coordination, or management of your child's dental care, including our coordination or management of your child's health care with a third party, our consultation with other health care providers relating to your child's care, or if we refer you for health care. We will not otherwise use or disclose your child's health information for marketing purposes without your written authorization. We will disclose whether we receive payments for the marketing activity you have authorized.

Change of Ownership: If this dental practice is sold or merged with another practice or organization, your child's health records will become the property of the new owner. However, you may request that copies of your child's health information be transferred to another dental practice.

Required by Law: We may use or disclose your child's health information when we are required to do so by law.

Public Health: We may, and are sometimes legally obligated, to disclose your child's health information to public health agencies for purposes related to preventing or controlling disease, injury or disability; reporting abuse or neglect; reporting domestic violence; reporting to the Food and Drug Administration problems with products and reactions to medications; and reporting disease or infection exposure. Upon reporting suspected elder or dependent adult abuse or domestic violence, we will promptly inform you or your personal representative unless we believe the notification would place your child at risk of harm or would require informing a personal representative, we believe is responsible for the abuse or harm.

Abuse or Neglect: We may disclose your child's health information to appropriate authorities if we believe that your child is a victim of abuse, neglect, or domestic violence or the possible victim of other crimes. We may disclose your child's health information to the extent necessary to avert a serious threat to your child's health or safety or the health or safety of others.

National Security: We may disclose to military authorities the health information of Armed Forces personnel under certain circumstances. We may disclose authorized federal officials' health information required for lawful intelligence, counterintelligence, and other national security activities. We may disclose correctional institutions or law

enforcement officials having lawful custody of protected health information of inmates or patients under certain circumstances.
